and more exotic products, Eosta composed the "Eosta Specialties" division which is specialized in the Tropical Wonders range.

**Passionfruit (Colombia) 2 kg**

A big favourite for juices, smoothies and desserts. Wrinkled skin = ripe

**Pomegranate (Turkey) 3,8 kg**

Amazing versatile healthy fruit, now available with a special customized festive message like Merry X-Mas or your logo in Natural Branding!

**Ataulfo Mango (Ecuador) 4 kg**

Once you've tasted the rich aromatic Ataulfo mango you are hooked!

**Edward Mango (Ecuador), 4 kg**

Sweet, creamy, fibreless flesh. One of the most aromatic varieties currently available.

**Granadilla (Peru | Colombia) 2 kg**

Sweet passion fruit. You can eat the pulp & seeds. Smooth Skin = ripe!

**Dates (USA | Israel) 1kg, 2kg, 150g**

Delicious organic Medjool Dates from USA and Israel, sweet healthy fruit!

**Citrus Caviar (Morocco) 1 & 2 kg**

The caviar pearls burst open in your mouth and give you a flavor blast.

**Turmeric (Peru)**

Exceptionally healthy root vegetable, used as a spice and more in the Asian cuisine for more than 4000 years.

**Pitahaya (Colombia | Ecuador) 2,5 kg**

Wonderful sweet exotic fruit that can be used for a wide range of juices, desserts and much more!

**Mangosteen (Colombia) 2,5 kg**

The mangosteen fruit is highly valued for its juicy, delicate texture and slightly astringent flavour and is commonly eaten fresh, canned or dried.

**Lemongrass (Thailand) 10x50g**

The perfect ingredient to add a fresh hint of lemon to a wide range of dishes.

**Physalis (Portugal | Colombia) 12x100g**

The perfect decoration fruit. The lantern ensures a longer shelf life.

**Maracuja (Ecuador) 2.5 kg**

Maracuja is the biggest and juiciest passion fruit. The seeds are edible and healthy. Wrinkled skin=perfectly ripe.

**Pineapple (Costa Rica)**

The taste of a ripe, fresh organic pineapple is fantastic. John, UK: "This was the best pineapple ever".
